Evangeliism in a Skeptical World by Sam Chan

Have you ever found yourself sharing the good news of Jesus with a friend, when you've paused for a moment and thought - this seems completely unrealistic? Sam Chan addresses this exact thing in his new book **"Evangeliism in a Skeptical World: How to Make the Unbelievable News about Jesus More Believable"**. He writes, "We have programmed

Evangelism in a Skeptical World by Sam Chan

Since the beginning, people have been storytellers. We love hearing a good story, sharing a story, watching a story. While over the decades, the mode of storytelling has changed, the fact that we love storytelling has not. As Christians, the most important story we could ever share is the story of the good news about Jesus. Yet it is the one I find that we get caught up on the most. We worry whether we are saying it right, whether we have all the details right and we worry how the person listening may respond to the story of God. Sometimes, the world even seems hostile to this story. So more often than not, we put this story on the shelf and instead of pulling it out to talk about, we hope that someday someone may see the cover of our lives and ask us to share the story with them.
